Series of memorandums to [REDACTED] SSU Liquidation Officer fr
[REDACTED] and to [REDACTED] Asst 25X1
Executive for Services, dtd 19, 20, 21 and 26 November 1945.

Material partially documents the liquidation of R&D Br ~~xxx~~ on 26 Nov 45 in compliance with GO #6, the disposition of records, materials, furnishings and exhibits.

Comment: believe the part of R&D liquidated was that concerned with weapons and devices. Subsequent papers indicate those components of the former OSS R&D "suitable for peacetime use" trsfd to CD Br and retained.

Note: since devices were passed to SSU Procurement and Supply Br, the RID files of that organization may provide a lead to the deep-sixing of bang and burn gear.
